12	**EXT. COAST RADIO STATION - NIGHT**	**13**	0	REVIEWED	SURESH	Flask	Weather cover: Thomas House kitchen

Illustrative (fictional): the current Breakdown Completeness builder emits only its 5 columns (Sc, Heading, Confirmed, Suggested (unreviewed), Status). The extra columns Cast, Props, Notes are invented to show what the renderer does when a live report or an older saved snapshot carries more than 5 columns: the whole document turns landscape.
