Candle on saucer	33	**1**	Props	Buy	TO HIRE	Second unit may pick up inserts; keep the practical lamps on a dimmer

Illustrative (fictional): the current Prop Report builder emits only its 3 columns (Prop, Scenes, Scene count). The extra columns Department, Source, Status, Notes are invented to show what the renderer does when a live report or an older saved snapshot carries more than 5 columns: the whole document turns landscape.
