# Look of the film: monsoon night and the 1999 grade

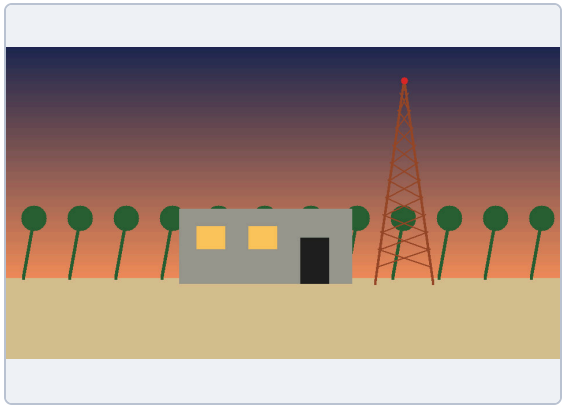

Low Tide Radio

**4 images**
Exported 22 Oct 2026

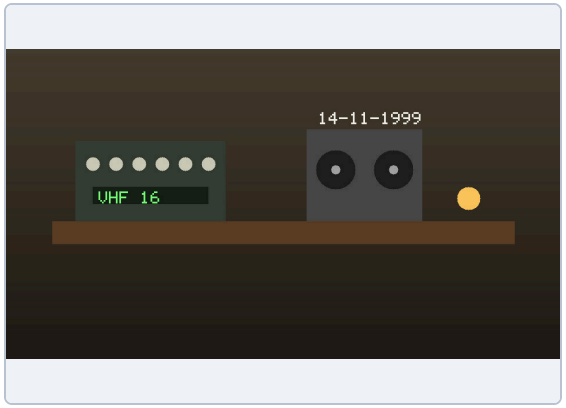

Monsoon palette from the art department share

Station at dusk: the hour we shoot scene 37

## NOTES AND LINKS

### Link

Kodak Vision3: reference for the 1999 grain (https://en.wikipedia.org/wiki/Kodak_Vision3)

### Note

Night exteriors: sodium orange against sea blue. Never pure black; keep detail in the water and in faces.
